

Activity Overview

The meeting is designed to enhance knowledge and increase competency in the treatment of cardiovascular disease.

Target Audience

This activity is designed for an audience of physicians, pharmacists, nurses, and physician associates.

Learning Objectives

Upon completion of the educational activity, participants should be able to:

- Implement tools, resources, and regulations that impact the cardiovascular business practice environment necessary to remain financially successful in an era of payment reform.
- Apply evidence-based strategies for atrial fibrillation management, including rhythm control, catheter ablation, and left atrial appendage occlusion, using current trial data and patient selection criteria to improve outcomes.
- Review multidisciplinary approaches to pulmonary hypertension management, including diagnostic strategies, referral criteria, and treatment selection from cardiology and pulmonology perspectives.
- Evaluate updated LVAD indications and referral processes, and assess device-based strategies—including CRT, barostimulation, and CCM—to manage advanced heart failure and delay durable support.
- Discuss the clinical and technical factors that inform decision-making regarding when to pursue percutaneous coronary intervention versus optimal medical therapy in patients with chronic total occlusions.

Criteria for Success

A certificate of completion will be awarded based on the participant's attendance and completion of an online evaluation/claim credit form available at:

<https://akhcme.com/content/indiana-acc-2025-annual-meeting>

Please claim your credit by September 30, 2025.

If you have questions about this CE activity, please contact AKH Inc at JGoldman@akhcme.com.

CE credit provided by AKH Inc., Advancing Knowledge in Healthcare.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by AKH Inc., Advancing Knowledge in Healthcare and Indiana Chapter, American College of Cardiology (IN ACC). AKH Inc., Advancing Knowledge in Healthcare is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

IPCE CREDIT™

This activity was planned by and for the healthcare team, and learners will receive 3.5 Interprofessional Continuing Education (IPCE) credit for learning and change.

Physicians

AKH Inc., Advancing Knowledge in Healthcare designates this live activity for a maximum of 3.5 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 3.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 3.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. Nurses

Credit being awarded: 3.5 ANCC contact hours

Pharmacists

AKH Inc., Advancing Knowledge in Healthcare designates this continuing education activity for 3.5 contact hours.

Physician Associate

AKH Inc., Advancing Knowledge in Healthcare has been authorized by the American Academy of Physician Associates (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 3.5 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Commercial Support

There is no commercial support for this activity.
